Agenda

OFFICE OF THE PAST
DIVISION CAPTAIN

Date: December 22, 2009
To: The Town Commissioner, Lauderdale-By-The-Sea
Subject: Triple Wide Trailer

This request comes to you on behalf of Flotilla 34, U.S. Coast Guard Auxiliary in Pompano Beach.

Flotilla 34 has been serving the boating community for 54 years and utilizing the houseboat in Alsdorf Park, 14th Street Boat Ramp in Pompano Beach since 1987.

After surviving a number of hurricanes over the years along with the general wear and tear of time, our houseboat is no longer sufficiently functional to serve our needs or the needs of the boating community. We are in the process of making arrangements to move and find a different venue in which to hold meetings, public education programs and a variety of public affairs events.

It has recently come to our attention that the Town of Lauderdale-By-The-Sea currently owns a triple wide trailer that no longer conforms to the Town's zoning codes and that the Town is actively pursuing opportunities to divest itself of this structure.

Members of Flotilla 34 have been actively exploring a means of obtaining a new building and have been working with the City of Pompano Beach to ascertain an appropriate site plan.

Please accept this letter as an official request to the Town of Lauderdale-By-The-Sea to consider the donation of their triple wide trailer to Flotilla 34 in Pompano Beach. For your information, Flotilla 34 is an all volunteer organization with limited monetary resources. We have a small amount of money in which to cover the costs of moving the trailer, securing it to a foundation, as well as covering the cost of utilities once the structure is in place at 14th Street Boat Ramp.

Thank you for any assistance you can offer in this request, and we look forward to responding to any questions you may have. We would also be available to attend a Town Commissioners meeting to answer any questions that would arise at that time.

Sincerely,

Gwendolyn S. Leys
